functional

- Suitable for all collaborative writing needs
- Magnetic receptive allows for a greater variety of uses
- Flexible roll goods suitable for installation on curved walls and columns
- Perfect solution for heavy use in healthcare, education, hospitality and corporate installations

convenient

- Horizontal installation provides a seamless writing surface across full walls & rooms (see diagram above)
- Floor to ceiling applications provide the ultimate presentation wall (see diagram above)
- Lightweight for ease of installation
- Cost effective combined dry erase and magnetic solution
- Just install and use immediately

durable

- Easy to erase
- 10-year limited warranty
- Guaranteed not to delaminate or yellow over time
- Durable polyester facing **(does not ghost)**
- Lightweight for a minimal carbon footprint
- Non-ghosting when proper maintenance is followed

WriteMAGNETIC · WWMAG60-WHITE

specifications

easy install

WriteMagnetic should be carefully inspected BEFORE CUTTING to confirm that the correct surface and quantity have been ordered and shipped. If you are installing a large order, organize your rolls in sequence before beginning application. Proper surface preparation is critical for a high quality installation. Any imperfections can result in an unappealing finish. Entire wall surface must be smooth and primed with a high-quality, white latex primer.

We suggest hanging the dry erase wallcovering horizontally to eliminate seams in the writing area. For full wall applications, it is recommended a full width strip be centered on the wall in the most likely writing area (see diagram above). Use recommended tools and adhesive for proper installation. After hanging one horizontal strip (a maximum of 20') of dry erase material, examine the installed wallcovering for colour uniformity and overall appearance.

For complete preparation and installation instructions, please visit WriteWalls.global

accessories

WriteMagnetic is available with a complete line of accessories and optional finishing products. A wide selection of aluminum trims and marker trays offer convenience, cleanliness and aesthetic appeal. A full list of accessories follows in this catalogue, or visit WriteWalls.global

Care and maintenance items will ensure your installation endures everyday use. Choose from recommended markers, microfibre cloths and dry erase cleaners.

Accessories are sold separately and are all searchable online at WriteWalls.global

warranty

WriteMagnetic is covered by a ten year limited warranty. This warrants that WriteMagnetic will be free from any defects in material or workmanship and meet the design criteria noted in our specifications when properly applied and installed per our recommended installation instructions. For more details on the WriteMagnetic warranty, please visit WriteWalls.global

Note: For best results, rare earth or Neodymium magnets are recommended for WriteMagnetic.
