

MAGNETIC SOLUTIONS PROJECTION 60"

Magnetic Solutions Projection 60" receptive dry erase wallcovering features a low glare finish that is multifunctional and ideally suited for dry erase, projection and magnetic attachment, all in one surface. For more information on the variety of WriteWalls surfaces, please visit WriteWalls.global

functional

- Low glare top film for projection
- Magnetic receptive
- Ideal when surface will be used for light duty writing, 50% or less.
- Flexible roll goods suitable for installation on curved walls and columns
- Perfect solution for multi-functional spaces and corporate meeting room installations

convenient

- Horizontal installation provides a seamless writing area across full walls & rooms (see diagram above)
- Floor to ceiling applications provide the ultimate presentation wall (see diagram above)
- Lightweight material provides ease of installation
- All in one surface is cost effective for the most demanding wall spaces

durable

- Easy to maintain
- 10-year limited warranty
- Guaranteed not to delaminate or yellow over time
- Durable polyester facing **(does not ghost)**
- Lightweight for a minimal carbon footprint

specifications

easy install

Magnetic Solutions Projection 60" should be carefully inspected BEFORE CUTTING to confirm that the correct surface and quantity have been ordered and shipped. If you are installing a large order, organize your rolls in sequence before beginning application. Proper surface preparation is critical for a high quality installation. Any imperfections can result in an unappealing finish. Entire wall surface must be smooth and primed with a high-quality, white latex primer.

We suggest hanging the dry erase wallcovering horizontally to eliminate seams in the writing area. For full wall applications, it is recommended a full width strip be centered on the wall in the most likely writing area. Use recommended tools and adhesive for proper installation. After hanging one horizontal strip (a maximum of 20') of dry erase material, examine the installed wallcovering for colour uniformity and overall appearance.
