everWrite

60" Dry-Erase Wallcovering With Non-Ghosting Capabilities

everWrite is a dry-erase wallcovering packaged as rolled goods - granting you the freedom to go beyond the confinement of a traditional whiteboard and turn any smooth wall into a functional writing surface. Featuring a durable gloss finish, everWrite is of commercial quality that meets standards of Type II wallcoverings to protect walls in high-traffic commercial applications.

versatile

- Ideal solution for all collaboration and planning needs
- Applicable to curved walls and columns
- Suitable for public environments that may necessitate heavy use.

uncomplicated

- Provides a seamless writing surface from wall to wall when installed horizontally
- 60" width reduces waste and number of seams when installed floor to ceiling
- Cost effective combined dry erase and magnetic solution
- Use Immediately after install

reliable

- Durable polyester coating is easy to erase and impedes ghosting
- Will not yellow or delaminate over time
- Lightweight for ease of installation and a minimal carbon footprint
- 10-year limited warranty

AFU (AATCC 16E)

Abrasion Resistance:
20,000 Double Rubs /
Wyzenbeek
(ASTM D 3597)

installation

Carefully inspect, before cutting **everWrite** in order to confirm that the correct surface and quantity have been ordered and shipped. For large jobs, rolls should be organized in sequence prior to installation. It is highly important that the entire wall surface is smooth and primed with a high-quality, white latex primer before installing as any wall imperfections will translate to an undesirable finish.

To eliminate seams the writing area, it is recommended that **everWrite** is installed horizontally on the wall space at the desired height. For floor-to-ceiling wall applications, a full width strip should be applied to the wall in the most likely writing area as shown in the 'your wall space' diagram above. Due to the 60" width of **everWrite**, the number of seams in the writing area of the entire wall is reduced from four seams to two.

Further information on preparation and installation instructions can be found at LEVEY.com

accessories

everWrite is available with a complete line of accessories and optional finishing products. Aluminum trims and marker trays offer convenience, cleanliness and aesthetic appeal.

Care and maintenance items will ensure your installation endures everyday use. Choose from recommended markers, microfibre cloths and dry erase cleaners.

Accessories are sold separately and are all searchable online at LEVEY.com
